Dear Chef Vern & Debbi,

I wanted to thank you for the fantastic job you did for our group at Super Bowl XLVII in New Orleans. You've been the best caterer we've had so far!

The food was excellent and the choices were perfect. More importantly, I was able to count on your responsiveness and attention to detail in a very chaotic atmosphere.

We all know good food is the most important thing for hard-working people but being available onsite, like you were, and being able to adjust to situations was equally as important and you scored a "10" in both areas!

Thank you again, and I'm hoping you're able to come out to Super Bowl XLVIII in NY/NJ.
